Our J.O.M. families need Backpacks, School Supplies, and Clothes vouchers. We distribute Backpacks in August and September ...as well as, year round.

Holidays ....at the end of the month... are always difficult for families on a fixed income or no income. Food on your table and a few gifts under a tree are a miracle each year for struggling families and a sign of hope from a caring community.

Jail inmates often feel most abandoned at Holiday times. Your gift and music for an inmate is a concrete sign that the faith community is aware and a person locked away experiences some hope in the darkness.

We support some families and folks during the summer with, trips to summer camp the zoo and summer fun activities.

Our enclosed postcard and this note is a J.O.M. Summer reminder about Summer needs, Back to School, and Fall Projects.

JOM is a non profit, as well as, an all volunteer organization.

Each year we see miracles unfold

as we share the giftedness and generosity of volunteers and donors.

Through Outreach and the Jail, we assist victims, offenders, and families of both because you support this ministry.

Blessings! Thank you!
